

# Sumehr

This page is under construction.

- [S. Business Project](#)
- [S. Kmehr Specification](#)

We are currently working on an updated and English version of the Sumehr documentation. Meanwhile existing documentation about Sumehr (in Dutch!) can be found on the Vitalink website [here](#).

Nice to know:

HubAuthor is the hub that write's it in it's storage. If the request comes from another vault, doesn't matter.
